## Epiphany M Series

### Price list revelation

Prices correct at date of publication.

#### Salon chair surprise

Takara Belmont is going to send waves through the industry with chairs priced between 570 – 670 Sterling. If you want a square or round base, it will only add an extra £70. There are several attractive options so you can have it just the way you like it, but it will not add anything to the 5 – 6 week leadtime.

#### Bubbly prices are popping

Shampoo equipment options include a massage function and motorised legrest feature for super luxe. A *Standard Edition Ombra* with contrast upholstery is a steal at £1,360 — but you could also have an all-in-one *Tierra & Optica* with contrast upholstery for an amazing £1,100.

Luxe chairs, Aria from £570

#### Salon design offer

With equipment purchases exceeding 5,000 Sterling clients receive a free salon design service. Work with Takara's professional salon designer and complete your *Dream* the best way possible. *This offer currently applies to UK customers only.*

#### This new wave is foaming
