

Adria
series

To die for.

Adria comprises functionality and beauty in a perfectly proportioned form. Timeless by immaculate design and very possibly immortal by its clever construction.

This chair works for you.

Made in Japan

the Modernists' favourite for decades

Adria, fka. **SC-191A**, was conceived in 1973 by Michael Quennessan, a French designer. For the past twenty years it has been nicknamed after the Father of modern hair-dressing, because every one of his salons used Adrias.
